Past OIB papers are all available on the OIB wiki and on the "newbies" folder on Google Drive 😊

**Q: WHAT DOES THE OIB ORAL LOOK LIKE?**

### The oral examination

15 minutes; in English.

The oral examines the subject's **Key content**. This Key content is a distillation of essential elements of the subject across the whole syllabus, agreed by the teaching community and approved by the Cambridge Inspector. This Key content is reviewed and revised whenever there is a change to the syllabus and at intervals of a few years, as appropriate.

The term Key content comprises two elements: Key issues and Key terms. Each oral comprises examination of one Key issue and one Key term. If the Key issue which the candidate selects is from History, the Key term is from Geography, and vice versa. **All orals therefore comprise an element of History and an element of Geography.**

### ✓ 2 possible situations :

- ➔ 1 Key issue in History + 1 Key term in Geography
- ➔ 1 Key issue in Geography + 1 Key term in History

✓ Key issue = 5 min talk + 5 min question

✓ Key term = 5 min discussion

## **Q: HOW MANY TEACHING HOURS?**

→ Situations vary quite a lot, depending on schools (public section, private section, all English, English/French combo, etc.)

**Q: HOW TO QUICKLY EXPLAIN THE OIB PROGRAM TO MY COLLEAGUES & MY PRINCIPAL?**

Les sections internationales s'inscrivent dans le cadre de **partenariats bilatéraux** conclus entre la France et les États étrangers ou des organismes représentant leur système éducatif. Les élèves comme les enseignants y sont français et étrangers.

Ces sections existent en école élémentaire, au collège et au lycée d'enseignement général en France et dans le réseau d'enseignement français à l'étranger.

## **Q: WHAT IS THE STUDENTS' ENGLISH LEVEL REQUIRED TO BEGIN WITH?**

→ Again, situations may vary, depending on schools (some do organize an entrance test, some take students right out of middle school with a good profile...)

**Q: WHAT IF I FEEL ISOLATED OR OVERWHELMED AT FIRST?**

The background of the slide features a dark, textured grid pattern. Overlaid on this grid are numerous question marks in various colors, including blue, yellow, red, purple, and green. The question marks are scattered across the page, some appearing larger and more prominent than others, creating a visual theme of inquiry and questions.
