

# Fees list: Standard - Euro

October 2023 to September 2024

## Introduction

Our registration year runs from 1 October to 30 September every year. In this fees list, we refer to 'Cambridge schools' – these are schools, colleges or any other organisation registered to offer our programmes and qualifications.

In this list you will find our:

- [application fees](#)
- Cambridge Pathway programme and qualification entry fees for:
  - [Cambridge Primary](#)
  - [Cambridge Lower Secondary](#)
  - [Cambridge Upper Secondary](#)
  - [Cambridge Advanced](#)
- [Cambridge Professional Development Qualification \(PDQ\) fees](#)
- [online school learner registration fees](#)
- [administration fees.](#)

## Registering as a Cambridge International School

Before you can offer our programmes and qualifications you must go through our approval process. This includes an approval visit, where a Cambridge representative will visit your school to understand your plans and help you to register. A school application fee applies. We will refund a portion of the application fee if a school does not meet our standards. We keep the remainder of the fee to cover the cost of your school approval visit. Where we need to conduct a visit to assess a school's ability to extend the programmes they offer, a programme extension application fee will apply.

	EURO (€)
Application fee	2,695.00
Refund following an unsuccessful approval visit	900.00
Programme extension application fee	1,350.00

## Programme fees

Following a successful application, schools pay a yearly programme fee to access a programme. Additional programmes may be included subject to another approval process. The table below shows what programme can be included at no extra cost. For example, if a school pays the Cambridge Primary programme fee, they could offer the Cambridge Lower Secondary programme without paying an additional programme fee.
