Customer notice: As you may be aware we have been undertaking customer research to review our pricing structures to best support schools and learners. This research will help inform work on improvements to our offer from October 2025. We plan to share further updates with customers over the coming year.

Registering as a Cambridge International School or Cambridge Early Years Centre

Before you can offer our programmes and qualifications you must go through our approval process. This includes an approval visit, where a Cambridge representative will visit your school or centre to understand your plans and help you to register. The following application fee will apply to cover this process. The visit may be conducted remotely or in person.

We will refund a portion of the application fee if a school or a centre does not meet our standards. We keep the remainder of the fee to cover the cost of the application process.

If we need to conduct a visit to assess a school or centre's ability to extend the programmes they offer, or if a school is extending to offer our programmes online, a programme extension application fee will apply.

	EURO (€)
Application fee	2,845.00
Refund following an unsuccessful approval visit	950.00
Programme extension application fee	1,425.00

Programme fees

Following a successful application, schools and centres pay a yearly programme fee to access a programme. Additional programmes may be included subject to another approval process. The table below shows what programme can be included at no extra cost. For example, if a school pays the Cambridge Primary programme fee, they could offer the Cambridge Lower Secondary programme without paying an additional programme fee.

Per learner registration fees for online schools

Cambridge schools registered as online or approved to offer Cambridge Primary, Lower Secondary or Upper Secondary and Advanced programmes online must pay a learner registration fee per student. We will invoice you for this fee based on the data you provide to us. If you do not submit your learner numbers by the due date, we will charge a 30 per cent increase on the learner registration fee. The amount you must pay at this increased rate will be based on student numbers you submitted the previous year. We cannot adjust your invoice once we have issued it. If you do not submit your learner numbers for two years in a row, we may withdraw your centre status and terminate our Agreement with you.
